HARRY WRIGHT

Norwich, Norfolk NR10 4DP | 07876 030755 | wright.hazza@gmail.com

SUMMARY.

I am a versatile game designer with 4 years of experience in development on multiple engines. I am currently a level 5 student at Anglia Ruskin Cambridge University. I've got a list of games I have made on my portfolio, personal, university and professional. I also take part in Norfolk Game Developers and assist in introducing new members to the meetups, welcoming them to the studios, and taking part.
